payment terms for;

<input type="text"/>	total project	I understand the payment terms	<input type="text"/>
<input type="text"/>	down payment is due at time of sale.		initial
<input type="text"/> \$-	<input type="text"/> 40% of balance due is due before or first day of any construction or digging	amount paid	<input type="text"/>
<input type="text"/> \$-	<input type="text"/> 30% of balance due is due when project is under roof		<input type="text"/>
<input type="text"/>	final balance due is due on final day of construction		<input type="text"/>

if this is a (1) day project balance due may be combined into 1 payment. due at the end of construction day

Prints and Drawings

I understand that if special drawings are needed their may be additional fees and may delay building start date.

Initial

Weaver Barns can provide Basic Construction Prints and drawings if needed for their own purposes for shop prep and onsite building direction for the crews. These drawings may be sufficient for your building department to review and approve your building. These drawings are made for our purposes and are available to you at no additional Cost.

HOWEVER,

The Basic construction drawings may not be sufficient for some building departments or other code requirements. If we need to provide prints that are not our standard construction prints they can be provided for additional fees. There may be additional delays in the project start date if additional drawings are required.

Property Damage

I understand that Weaver Barns or their subcontractors are not Liable for reasonable property damage as listed below.

Initial

Weaver Barns and their subcontractors are not liable for:

- a) Any underground pipes, wires etc that we were not informed of .
- b) Any Damages to Driveways with normal constrution vehicle movements
ie. Dump Trucks, Cement Trucks, Gradalls.
- c) Reasonable Damage to lawn or landscaping due to construction vehicle movements.

Any Special Situations need to be noted here:
